IT is a well known fact that Dyspepsia and Indigestion are the causes of nearly all the diseases that the human body is and the diseases that the human body is heir to; then why pay enormous doctor's bills? By using Dr. Henley's celebrated I X L Bitters they can be thoroughly eradicated from the system and new life imparted to the sufferer. Read adver-tisement in another column.

THE AMERICANS AT VIENNA. - JOSEPH M. Coschina, of this city, has received an interesting letter from his father, now a visitant at Vienna, dated May 7, in which the old gentleman depicts American character in graphic colors. Mr. Coschina visited his son in Pioche about a year ago, and was astounded at the prodigality with which the Americans acatter their coin; but he found that those who visited Vienna were fully up to the standard of Nevadans and Calito the standard of Nevadans and Cali-fornians in the lavish expenditure of the "filthy lucre." He says one American spends more money than ten English-men, twenty Frenchmen or fifty Ger-mans. The Americans, Mr. Coschina says, occupy the best places in the Expo-sition, and all Europe looks forward with interest to the exhibition of America's arts and mechanism. arts and mechanism.

FAITHLESS CONDUCT .-- Leonidas Bales, bound from Pioche to New Mexico, actuated by a friendly feeling, while at Stone's ferry on the Colorado, in Arizona Territory, loaned a man known as Captain Stone, his wagon and teams and money to buy provisions at St. George.
Stone left with the team, but instead of
carrying out his proposed design, steered
direct for Salt Lake. Bales hearing of
Stone's faithless conduct went in pursuit, accompanied by officers. Stone
was overtaken at Lehi and arrested, and
at last accounts was undergoing extenwas overtaken at Lent and arrested, and at last accounts was undergoing exam-ination. The wagon and team were re-covered, but the money had been made away with. Other parties are implicated, but we await further advices before giving more particulars.

Ir was erroneously stated in our last issue that Dr. Rogers was the attending physician on the late Edwin Olds from the time of his injury till his death. The facts are that Dr. Rogers, being summoned, was promptly on hand, and remained with the injured man till his removal to his home, when Dr. Deal, the regular family physician, naturally assumed charge of the case. Mr. Olds was a native of Lockport, N. Y., and 43 years old on the 27th of March last. He was picked up on Saturday morning, instead of Sunday, as erroneously stated in vesterday's issue. n yesterday's issue.

NARROW ESCAPE. - Yesterday Sheriff Travis and his brother Jot met with a little mishap which came near amounting to a serious accident. They had started for a buggy ride from their resi-dence on McCannon street, when in dence on McCannon street, when in turning, one of the horses stepped off the bank at that point, causing the buggy to upset. The vehicle turned over three times, throwing the sher iff between the horses, but he held on to the reins, and succeeded in pre-venting a runaway. Each of the two gentlemen received scratches, but neither was much hurt.

DAMAGED GOODS.-On Tuesday, June 10, I received from New York, through Durant & Cutting, Lehi, Utah, six out of seven boxes of goods shipped, but in such a damaged condition that they are not worth half the original cost. The damage was caused by the upsetting of the wagon in some stream between Lehi and Picohe. The goods are Portland—Delinquent June 9; day of sale July assessment 25 cents per share.

> HELD TO ANSWER. - Before Justice Stoutenburgh yesterday, the examination of the cases of Rosa Wilder and Nathlaie Morris for an assault upon Cora Stanley, resulted in binding Rosa in \$3,000 bonds to answer before the Grand Jury for an assault with intent to commit murder. Nathlaie was discharged. Rosa gave the required bonds, and was enjoined to go and sin some more.

THE Amador mill is running entirely satisfactorily, and yesterday crushed a large amount of ore from the Washing-ton and Creole and Pioche mines. The mill is about ten miles from town, and has been the means of starting up a thriving village. J. H. Collier, an expe-rienced mill man, is in charge of the works, and the mill is equal to any in the

MONEY ORDER OFFICE.—The business of Pioche, and the money sent through the Hamilton Postoffice from here under the money order system, demands that Picche be made a money order office. The matter has already been laid before the Department at Washington, and we hope it will not be overlooked at head-

County Jail .- There were 14 prisoners in the county jail yesterday, two having been discharged just before we visited the institution. The prisoners seemed to be in good spirits and as hilarious as could be expected under the circum-stances.
